WBMG021
Basketball Player

A male body is dissected to reveal muscles.

WBMG023
Soccer Ball Player

A male body is dissected to remove muscles on one side and expose the internal organs through space left from muscles.

WBMG022
Walking in Classics

A male body is dissected to reveal muscles.

WBMG024
Walker

A male body is dissected to reveal venous distribution.

杏醫有限公司 GINKGOMED COMPANY

WBMG025 Chinese Kon-Fu

A male body is dissected to remove muscles on one side and expose the internal organs through space left from muscles.

WBMG026 Football Player

A male body is dissected to reveal muscles.

WBMG027 Runner

A male body is dissected to reveal flying-like muscles.

WBMG028 Skinned Man

A male body is dissected to reveal muscles with his own skin.
